Yakkala, Gampaha 11870

### EDUCATION

Bachelor of Health Science Honours in  
Biomedical Technology

May 2023 – July 2027 |

Certificated in HRM & HRD  
Information & Communication Technology  
NVQ 4

Certificated in Pharmaceutical  
English language NVQ 4

### LANGUAGE

Tamil

English

Sinhala

### ABOUT ME

I am a motivated Biomedical Engineering student with a strong foundation in biology, engineering principles, and medical technology. I have a keen interest in biomedical devices, biomaterials, and healthcare innovations. I am eager to apply my technical knowledge, problem-solving skills, and analytical thinking to real-world medical challenges and contribute effectively to the healthcare and biomedical industry.

### EXPERIENCE

#### BIOMEDICAL ENGINEER STUDENT

- Academic laboratory experience in biomedical engineering experiments
- Exposure to biomaterials testing and medical instrumentation
- Mini projects related to biomedical applications
- Team-based project work and presentations
- Support the marketing leadership team through the organization and administrative support for various projects.
- Conduct research for digital key marketing campaigns.
